CENTRAL CITY NEIGHBORHOOD PARTNERS JOINS COUNCILMEMBER GIL CEDILLO AND ASSEMBLYMEMBER MIGUEL SANTIAGO TO HELP COMMUNITY MEMBERS FILL OUT THE CENSUS.

Community Activists Working Towards an Accurate Count on the 2020 U.S. Census

WESTLAKE, LOS ANGELES, CA - We are less than three weeks away from the end of the 2020 Census, and only 49.3% of the Westlake community has been accounted for. Getting an accurate count on the Census means receiving enough money to give back to our schools, hospitals, and community. Let's not let an inaccurate count have an effect for the next 10 years. Therefore, CCNP has partnered with Councilmember Gil Cedillo and Assemblymember Miguel Santiago to have an event focused on getting people to complete their Census. The BURLINGTON Stores have been gracious enough to provide us with brand new clothing, bags and other household goods, a bag of these items to each family member attending will be distributed during the CENSUS-A-THON on Saturday, September 19, 2019.

This community event will focus on promoting the importance of filling out the CENSUS, what the CENSUS is along with providing community members a free bag of clothing. CCNP wants to create an open and safe space for any community member to come to the event, and make sure they are being counted for. This event is completely FREE and open to the public.

WHAT: Community Event to HELP the LA Community fill out their CENSUS: CENSUS-A-THON
